EDUCATION

Lost Boys | School for Visual Effects, Vancouver *Advanced VFX Compositing Diploma*

September 2019 - Present

An accelerated 12 month program, specialized in the craft of Compositing for high end visual effects productions. Placed in a studio environment, students complete a project-based curriculum modeled after real-world examples. The program is designed to build extensive skill foundations while creating a professional portfolio demonstrating both entry level and advanced compositing skill sets.

InFocus Film School, Vancouver *Compositing for VFX Certificate*

June 2019 - August 2019

An accelerated 3 month program, specialized in the craft of Compositing for visual effects productions. The program is designed to introduce you to compositing and build a skill foundation for entry level compositing skill sets.

EXPERIENCE

Home Depot, Squamish *Customer Service Rep*

October 2019 - June 2020

Picked materials to fulfill online orders, assisted with customer inquiries and insured customers needs were met.

WestCoast OutBuildings, Squamish *Labourer*

October 2018 - May 2019

General labourer who received stock, restocked departments, and worked as part of a team to achieve targets safely.

Voilette Construction Services, Squamish *Labourer*

July 2018 - October 2018

General labourer with moving materials around the site. Carpentry services were also utilized.
